*Re: FOIA Documents Relevant to Committee Investigation*

Dear Chairman Grassley and Ranking Member Feinstein,

Please find enclosed documents relevant to your ongoing oversight of former Attorney General Loretta Lynch, and specifically her role in the investigation of former Secretary of State Hillary Clinton. These documents were obtained as a result of our litigation against the Department of Justice for failing to comply with the requirements of the Freedom of Information Act (FOIA), 5 U.S.C. § 552.

In addition to providing you with access to the entirety of the documents we obtained, we are also providing a complete timeline of the most relevant communications and events that occurred after Attorney General Lynch met with former President Bill Clinton on June 27, 2016. You will also find a Glossary of Persons to ease your identification of personnel included in the timeline.

Thank you for your careful consideration of this information. We encourage you to thoroughly complete your oversight in order to ensure the American people that our judicial system is indeed blindly applicable to everyone. Please do not hesitate to reach out if we can provide any assistance or clarification.

Sincerely,
